

# Parent's/Guardian's Permission to Apply Center Sunscreen to Child

Crystal's Cuddle Bugs Childcare Center will be providing Rocky Mountain Sunscreen and Banana Boat Simply Protect Kids for all children for a onetime fee of \$15/child. This fee will cover sunscreen for the entire season (May-October). This year we plan to use up our existing supply of Rocky Mountain brand first (it is not expired) and switch to Banana boat which is easier to transport and tear free.

Parents can supply their own sunscreen if they wish but the preferred method would be the center supplied sunscreen. It does save teachers a significant amount of time to not have to find individual bottles specifically for each child.
